

# Designed to help you keep track

- It is important to take your medication as prescribed by your doctor, to help you get the best possible outcomes from your medication
- The easypod™ device stores the injection history which can be backed up to easypod™ connect using your transmitter
- easypod™ connect is a cloud platform that allow data to be shared easily between you and your clinical endocrinology team
- easypod™ connect is linked to the Growlink app, which allows you to view and keep track of the injections. To discover more on Growlink visit our website:  
<https://www.mysupport-resources.com/growlink/>
