

Designed to help you keep track

- It is important to take your medication as prescribed by your doctor, to help you get the best possible outcomes from your medication
- The easypod® device stores the injection history which can be backed up to growzen™ connect using your transmitter
- The growzen™ connect is a cloud platform that allow data to be shared easily between you and your clinical endocrinology team
- growzen™ connect is linked to the growzen™ buddy app, which allows you to view and keep track of the injections. To discover more on growzen™ buddy app visit our website: <https://www.mysupport-resources.com/growlink/>

MERCK

This leaflet has been created by Merck and it is intended for patients who have been prescribed Saizen® (Somatropin)
